Court Receives Case Initiation Filing—Family Law Miscellaneous (INI813)

Exchange Description

A trial court uses this California judicial branch XML-based data exchange to receive miscellaneous family law case initiation filing documents from an integration partner for any of the following case types:

- Approval of Child's Contract
- Hague
- Petition for Declaration of Emancipation of Minor
- Request for Marital Consent
- Surrogacy
- Third Party Visitation
- Other (Miscellaneous)

The request message sent by the integration partner to the trial court contains the miscellaneous family law case information (e.g., case number, participants, and case information).

The response message sent by the trial court to the integration partner contains delivery confirmation data with status information (e.g., "Received"), along with contents of the original request message sent by the integration partner to the trial court.

PROBABLE INTERESTED INTEGRATION PARTNERS

- California Department of Child Support Services
- Electronic filing service provider

RELATED EXCHANGES

Related data exchanges are any preceding or subsequent data exchanges that may be used by an integration partner as part of the overall business process related to this exchange.

- Court Receives Subsequent Case Filing (INI816), which is used by the integration partner to submit all additional case filing information to the trial court.

For more information about this and other data exchanges, contact integrationpartners@jud.ca.gov

Business Response Exchanges

The business response refers to any subsequent exchanges that may occur as a direct result of this exchange, as follows:

- Court Sends Case Initiation Filing—Family Law (Miscellaneous) Confirmation Notification (INI932), which confirms that the initial filing successfully passed the clerk review (CR) process and contains the new case filing information.
- Court Sends Clerk Review Rejection Notification (EFL902), which contains rejection information in response to the court clerk's review of the initial filing.

Error Handling

If the trial court does not successfully receive and process the incoming message, the integration partner will receive an error message with an error code and error reason.

Additional Information

- A single exchange message is sent for each miscellaneous family law case initiation filing request.
- The content of the business response to this exchange is defined in a different exchange listed above in the Business Response Exchanges section.
- This exchange is subject to the court clerk review process, which requires that court personnel review the contents of the exchange before it is accepted and added to CCMS.
